New Contracts/ Contracts Update

Wyevale Grounds Maintenance

Wyevale Grounds Maintenance had been busy putting in tenders at the end of last year. We have been successful with the Lewes contract. We had protracted discussions with Bristol City but unfortunately the Council went with the lowest priced tender. We were unsuccessful with Sevenoaks coming third, Chichester coming third and Surrey schools. We submitted a tender for hard surface maintenance in South Beds and have been successful and started on 1 March 2004.
