

Contract Updates

Wyevale Grounds Maintenance

Since the last issue WGM has not been awarded any new contracts but the level of inquiries is always low. The majority of tenders are received in the period July to December. The Surrey verges contract that we previously undertook direct became part of a large facility management contract. The company has continued to undertake this work on a subcontract basis for the main contractor.

Wyevale Grounds Maintenance has submitted tenders to the following Councils since the last Newsletter:

Eastbourne Borough Council, Mole Valley District Council, South Oxfordshire District Council, Epsom & Ewell District Council and North Somerset Council.

Following the submission to North Somerset Council, Wyevale Grounds Maintenance was called to a meeting to answer questions relating to our bid and we are now waiting to hear if we have been successful.

Wyevale Landscapes

Wyevale Landscapes has continued to be very busy in the submission and the winning of work.

Cooper Partnership/Jotcham & Kendal

Local Community Project

Wyevale donated trees at the end of April to a local school and playgroup based at Filton, Bristol.

Wyevale supplied a *Prunus avium* and *Betula pendula* tree to Filton Hill School to complement their existing established trees. The school had recently celebrated 50 years.

Wyevale also donated a *Sorbus aucuparia* to Charborough Road Play Group to replace a tree that had recently died.

The children watched Jon and Matt who are based at Head Office undertake the planting. We are pleased to report that these trees are now looking healthy as the school children undertook watering when the weather was dry.
